The objective is to **overflow this movement** and this energy of **Order, Inclusion and Balance**, in all areas of **Civil Society, reverberating to the fields of Collective Consciousness**. Today, I have no doubt that this meeting of ours will be magical and transforming for many people.

We are all aware of the systemic impact of being together, **United in one Heart**, sharing our experience across borders, at a time like the one we are living in the history of mankind.

The great Mission of this Congress also involves the Collective Reconciliation of Peoples, Territories and Nations, through the Healing of the wounds of the Collective Unconscious, caused by colonization, slavery, racism.
