You can participate online either individually at home or as a group in private meeting rooms or in the practice centres of IoPT-practitioners. It would be helpful if there is a big screen or a technical device so you can present the live-events in Munich for the group.

We highly recommend you make this congress an opportunity to come together with your intervision/supervision/support peer groups in many places worldwide.

If you want to make an own workshop or give a lecture live or live-online, name the time-window within the congress and produce your own Zoom-link. We will announce it on www.healthy-autonomie.de and www.ioptinformedsocieties.com.

The language of the Congress is English. We provide translations into German, Brazilian/Portugues, Chinese, Norwegian, Russian, Spanish, Turkish.
